

We are recruiting Dad Matters Co-ordinator

to cover the north Surrey area

Salary: NJC Scale SO2/26 (current £33,018.71)

This is an exciting opportunity to deliver a project that supports dads-to-be and dads in the early months of parenthood with a particular focus on mental health and general parenting support.

We are looking for someone to develop local universal and targeted interventions, working closely with colleagues from Parent Infant Mental Health Services as well as Maternity, Health Visiting and Children's Services. They will develop our Dad Matters volunteering opportunities, facilitate and co-facilitate sessions with dads and develop links with other VCSE and community groups.
